Thomasville Award Program Honors the Achievement

THOMASVILLE August 29, 2013 -- Capital Home Builders Inc. has been selected for the 2013 Best of Thomasville Award in the Custom Green Home Builder category by the Thomasville Award Program.

Each year, the Thomasville Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Thomasville area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Thomasville Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Thomasville Award Program and data provided by third parties.
